the new international bible commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit based on the widely used new international version translation the nbc presents careful section by section exposition with key terms and phrases highlighted and all hebrew transliterated a separate section of notes at the close of each chapter provides additional textual and technical comments each commentary also includes a selected bibliography as well as scripture and subject indexes

the bible knowledge commentary answers questions about the scriptures discussing all the bible verse by verse and often phrase by phrase in addition maps charts and diagrams help readers grasp the meanings of the biblical text

to whom does primary allegiance belong to great human empires or to the god whose elusive presence we can never fully grasp waldemar janzen offers a fresh

approach to the book of exodus the liberation from egypt is a prelude to israel s unique calling to model before the nations a new life of service under god exodus portrays how god through his servant moses wages a dramatic battle with egypt s mighty ruler for the release of enslaved israel the watching israel wavers is the lord among us or not even after israel covenants to be god s priestly kingdom and holy nation israel worships a golden calf once more god s grace wrests israel away this time from slavery to doubts fears and self centeredness the people then focus faith on the imageless presence of god in their midst god still wrestles for his people today

no one can doubt that the bible has exerted a tremendous influence on western civilization since the dawn of christianity but few of us have considered the precise nature of that influence in particular historical contexts in this book david kling traces the fascinating story of how specific biblical texts have at different times emerged to be the inspiration of movements that have changed the course of history by examining eight such pivotal texts kling elucidates the ways in which sacred texts continue to shape our lives as well as our history among the passages he discusses are upon this rock i will build my church matthew 16 18 which inspired the formation of the papacy and has served as its foundation for centuries the righteous will live by faith romans 1 17 which caught the imagination of martin luther and sparked the protestant reformation go to pharaoh and say to him thus says the lord let my people go so that they may worship me exodus 8 1 which has played an important and diverse role in african american history from early slave spirituals through the modern civil rights movement and beyond there is no longer jew or greek there is no longer slave or free there is no longer male and female for all of you are one in christ jesus galatians 3 28 which has been adopted by feminists as a rallying cry in the battle for women s ordination each of the historical episodes he explores from the beginning of christian monasticism to the emergence of pentecostalism is evidence of the dynamic interplay between scripture and the social and cultural context in which it is interpreted kling s innovative study of this process shows how sacred texts can give life to social movements and how powerful social forces can give new meaning to scripture

sarna examines the distinctiveness of the exodus narrative in light of ancient near eastern history and contemporaneous cultures egyptian assyrian canaanite and babylonian in a new foreword to the 1996 edition sarna takes up the debate over whether the exodus from egypt really happened clarifying the arguments on both sides and drawing us back to the uniqueness and enduring significance of biblical text

one in an ongoing series of esteemed and popular bible commentary volumes based on the new international version text

the book of exodus is a covenant narrative revealing the faithfulness of god and the nature and life of god s people their redemption obedience security and inheritance in this bst volume j alec motyer considers the meaning that exodus still has for us today unfolding the ways it points to jesus christ and heralds him in advance

the field of biblical studies is dynamic with new discoveries new methodologies and new perspectives continually enhancing the interpretation of the bible there is thus a need for an up to date comprehensive authoritative and balanced series of reference works for biblical scholars and students the two volume oxford encyclopedia of the books of the bible is the first in this series of specialized reference works each addressing a specific subfield within biblical studies the series aims to produce high level scholarly reference works that are accessible and in depth going beyond the basics to provide more specialized coverage books of the bible provides a single source for authoritative reference overviews of scholarship on some of the most important topics of study in the field of biblical studies the encyclopedia contains almost 120 in depth entries ranging in length from 500 to 10 000 words on each of the canonical books of the bible major apocryphal books of the new and old testaments important noncanonical texts and thematic essays on topics such as canonicity textual criticism and translation books of the bible has extensive cross references to other useful points of interest within the encyclopedia and comprehensive lists of abbreviations and an index for ease of use illustrations of various types supplement the text and enhance its appeal bibliographies for all entries further add to its usefulness

the new edition includes more than 4 800 resources available at more than 10 000 internet sites that provide information on a range of biblical study topics including bible translations in english and other languages audio translations of the bible in english and other languages commentaries dictionaries and other resource materials including ones in greek hebrew and other ancient languages the author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself in cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code the code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter in adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use

in this impressive volume leading scholars offer compelling glimpses into the biblical world the world in which prophets poets sages and historians created one of our most important texts the bible for more than a century archaeologists have been unearthing the tombs temples texts and artifacts of the ancient near east and the mediterranean world using new approaches contemporary scholars have begun to synthesize this material with the biblical traditions the oxford history of the biblical world incorporates the best of this scholarship and in chronologically ordered chapters presents the reader with a readable and integrated study of the history art architecture languages literatures and religion of biblical israel and early judaism and christianity in their larger cultural contexts the authors also examine such issues as the roles of women the tensions between urban and rural settings royal and kinship social structures and official and popular religions of the region understanding the biblical world is a vital part of understanding the bible broad authoritative and engaging the oxford history of the biblical world will illuminate for any reader the ancient world from which the bible emerged

in focusing exclusively on the book of exodus and its constant allusions in the new testament this new collection of studies seeks both to increase knowledge of the

textual transmission of exodus in the first century and to encourage further methodological reflection on the use of scripture vs scriptural traditions as employed by ancient authors first exploring the role of exodus within judaism in the second temple period the contributors then reflect upon the rhetorical impact of exodus citations and allusions in the new testament by taking the reader from the four gospels through the pauline and disputed letters and hebrews and all the way to revelation itself this volume demonstrates both the unity and the diversity of appeals to exodus traditions in jewish and christian literature within the second temple period

this reference work explores the images symbols motifs metaphors figures of speech and literary patterns found in the bible with over 800 articles by over 100 expert contributors this is an inviting enlightening and indispensable companion to the reading study contemplation and enjoyment of the bible
