what is the soul and how do we come to know it what is its journey in life and what stages and obstacles are encountered along the way these questions are explored here in detail according to the diamond approach a spiritual path that combines systematic inquiry into personal experience the practice of traditional spiritual methods and the application of

modern psychological research the inner journey home is the centerpiece of the diamond approach literature providing a complete overview of the teaching with references to the author's other books for more details on certain topics

light upon light is a book to touch the heart and awaken the spirit it takes the lives of some of the great spiritual masters of the last millennium from rumi to twentieth century saint darshan singh and illuminates their inner quests more than simply biography light upon light delves into their perceptions of the world the innermost workings of their minds and the life incidents that led them to enlightenment in this sense light upon light is not about the spiritual path it is designed to take the reader and carry them into the spiritual path and perceive the wisdom of the masters from within while author andrew vidich phd has exemplary academic credentials he writes from the heart and calls the reader to a direct experience a felt sense of the core of these masters teachings he also emphasizes meditation as the universal constant taught by all masters and has provocative exercises in each chapter to stimulate self reflection contemplation and to give the reader experience of practical meditation techniques this is a book to be treasured by both long time spiritual students and those new to the great masters of the path
